REVOLUTION ACADEMY

Summerfield, North Carolina

LEAVE A LEGACY. SHAPE A GENERATION.

**YOUR VALUES. YOUR VISION.
YOUR CHANCE TO MAKE HISTORY.**

.....

Maybe it was the classroom where your child found their voice. Or maybe it's the kind of classroom you wish every child could experience. Where curiosity is sparked. Where confidence, character, and grit take root.

Now you have a rare opportunity to honor what matters most—with a gift that will echo for generations.

By naming a space at Revolution Academy's **new Upper School** or **established Lower School**, you're not just supporting students. You're placing your name—and your values—at the heart of a school built on academic excellence, civic responsibility, and timeless character.

This is your moment. To shape lives.
To inspire others. To lead boldly, by example.

ONE SCHOOL. TWO CAMPUSES. ENDLESS IMPACT.

Founded in 2020, Revolution Academy opened to restore the fundamentals of a great back-to-basics education: academic rigor, timeless character values, civic responsibility, and patriotism.

We opened our Lower School with a bold vision—and families responded. In just five years, enrollment has doubled to over 1,000 students, **with more than 900 families waiting** for a seat.

Without access to public funding for land or buildings—no state bonds, lottery dollars, or local capital funds—Revolution Academy has operated its upper school from **rented church spaces**, while a permanent new home **awaits your support**.

With your help, our vision becomes reality.

REVOLUTION RISING CAPITAL CAMPAIGN

We are building a new Upper School campus on **65 acres of land** in Guilford County—a permanent home for our **6th–12th grade** students. This new facility will unlock learning, leadership, and opportunity for decades to come.

WE ARE RAISING \$18 MILLION:

\$7 MILLION for Academic Facilities—*classrooms, science labs, arts spaces, library, and more*

\$6 MILLION for Outdoor Athletics—*soccer/lacrosse field, baseball/softball complex, track, and spectator areas*

\$5 MILLION for a Gymnasium—*supporting physical education, team sports, and community events*

This isn't just about buildings. It's about building futures. Revolution Academy graduates will be better prepared to lead, work, and serve—fueling regional growth and creating opportunity. The new school will contribute an estimated **\$23 million annually to GDP** and support 175+ jobs—an economic engine rooted in education.

We aim to break ground in 2026.
Your gift today will help us get there.
